Rule 1 Name and Objectives

The name of the club shall be the Cheltenham Croquet Club, hereinafter referred to as the "Club". Rule 6 Officers of the Club and the Executive Committee

The officers of the Club shall consist of the Chairman of the Executive Committee (ex officio), the President, Club Secretary, Tournament Secretary and Treasurer. Rule 7 Election of Officers and Committee Members

The officers of the Club (except the Chairman, see Rule 8) shall be elected annually at the Annual General Meeting, hereinafter referred to as the “AGM”, together with member vacancies on the Committee. These members shall be elected for a period of three years and retiring members shall be eligible for re-election. The notice convening the AGM shall specify the names of the retiring members. Candidates to fill vacancies on the Committee shall be proposed and seconded by any two Voting Members of the Club, who shall forward such nominations in writing to the Club Secretary not later than eight days before the AGM. (Voting Members as defined in Rule 12).

Voting for the election of Committee members shall be by ballot of those Voting Members present at the AGM.

The Club may appoint individuals to be Vice Presidents, normally in recognition of their standing within the Club and their having made a substantial contribution over many years. Such appointments are honorific: they are intended to honour the individual concerned for their past contribution and do not carry any specific responsibilities. A formal proposal for such appointment shall be made by the Committee and the Club Secretary shall include it as an Agenda item for the next AGM, then to be voted on by members. An appointment once made is for as long as the individual remains a member of the Club.

The AGM shall be held before the end of April each year unless exceptional circumstances prevent this from taking place. The AGM shall approve the annual accounts which shall be made up to the end of the previous December, to set the annual subscriptions (subject to Rule 14a) for each class of member, to elect officers and committee members and to transact general business. Except as defined in Rule 13, members entitled to vote (Voting Members) are those members over the age of eighteen who have been members of the Club for at least one year. This will include members who have left the Club and re-joined having previously had membership for more than one year. Motions for inclusion in the agenda other than from the committee must be proposed and seconded by two Voting Members and must reach the Club Secretary not later than five weeks before the Meeting. A General Meeting may be called at any time by the Committee, or at the written request to the Club Secretary of twelve Voting Members. At least ten days notice of a General Meeting and the business to be discussed shall be given to members.

At all General Meetings the President, or in his absence a Vice President or another Officer of the Club, will act as Chairman of the meeting. Twenty non-committee Voting Members shall form a quorum.

A simple majority of those Voting Members present will be sufficient to carry any motion, except as provided for in Rules 4, 13 and 18.

Rule 13 Major & Far-Reaching Changes to the Club

If a majority of those Voting Members present at a General Meeting should vote in favour of any major and far-reaching changes in the amenities or financial standing of the Club, a postal vote will be taken. The decision as to whether or not the proposed changes require a postal vote will be made by the Chairman of the General Meeting, whose decision will be final.

A postal vote will be restricted to those Local, Near Country, Far Country and Family Voting Members for whom Cheltenham is their main club, together with Restricted Season and Veteran Members who for this purpose assume their original membership class. Members who come within the classification of Rule 11i), 11ix) and 11xii) shall each have two votes and those within the classification of Rule 11ii) shall each have one vote.

Rule 14 Annual Subscriptions

- a) Subscriptions** are due on joining and annually on the 1st February. They may be adjusted annually by the Committee broadly in line with inflation and without reference to an AGM. Any more significant changes shall be determined by the AGM and shall take effect from 1st February of the year following the AGM. The rates of subscription for each year shall be notified in writing to members and displayed prominently in the Club premises.
- b) Newcomers.** The committee may make, and publish in the Bye-Laws, concessionary rates for newcomers where a newcomer is defined as a person who has not been a member of the club for two years. The concessionary rates may be based on a sliding scale based on the date of joining.
- c) Outstanding subscriptions.** If a subscription is not paid within two calendar months of the due date the member concerned will be suspended from the Club and will be barred from all Club activities including entry to tournaments. If the non-payment continues without good cause as explained to and accepted by the Committee, the member concerned will be expelled from the Club forthwith.

- d) **Resigning or changing Class.** Members resigning from the Club or wishing to change their class of membership to one involving a lesser subscription must notify the Membership Secretary in writing to the Club not later than the 1st April of the relevant year. Failure to do so will mean that they, together with any members suspended or expelled under Rule 14c above, remain liable for payment of their usual subscription for that year.
- e) **Other rates and charges,** including for example locker rents, green fees and bridge table money, shall be set by the Committee.
- f) **The Croquet Association.** Up to two designated employees of the Croquet Association Office have the rights of Local Members without payment of subscription.

Rule 15 Visitors

The Club welcomes visitors whether they are friends or relatives introduced by members, members of other croquet or bridge clubs, others who may be interested in becoming new members, or spectators. All visitors must conform to the Rules and Bye-laws and shall be expected to pay any appropriate green fees or table money.

Rule 16 Minutes of Meetings

The Minutes Secretary shall keep minutes of all Committee and General Meetings.

Rule 17 The Accounts of the Club

The Treasurer shall keep all accounts and have the charge of all monies belonging to the Club and shall report on such to the Committee at each of its meetings. He shall, at the AGM, lay before members the Annual Revenue and Expenditure Account and Balance Sheet which shall have been audited and signed by two Voting Members of the Club or by a professional Auditor. Any surplus income or gains must be reinvested for the benefit of the Club except that donations may be made to charities.

Rule 18 Compliance and Alterations to the Rules

Members, by payment of their subscriptions, are thereby considered to have accepted the Rules of the Club as binding upon them.

Rules may be altered, extended or abridged at a General Meeting but not so as to jeopardise the Club's status as a Community Amateur Sports Club as defined in Rule 5. Any motion for a change of Rules shall require five weeks notice in writing to the Club Secretary.

Rule 19 The Bar

The sale and supply of intoxicating liquor shall be controlled by the Committee who shall make all necessary arrangements for management of the Bar in conformity with current Licensing Laws. Visitors introduced by members and those taking part in tournaments and matches shall have the privilege of using the Bar during their visit.

Rule 20 Personal Property

The Club accepts no responsibility for loss or damage to the personal property of members, visitors or spectators.

Rule 21 Matters not Covered by the Rules

Any matters not covered by these Rules and requiring decision shall be dealt with by the Committee and reported to the next General Meeting.
